## Job Posting

### **Public Health Nurse (CMH Programs) - Division of Prevention and Wellness**

- Continuous Posting -

The Public Health Nurse will provide case management and related services for families with children enrolled in the Children with Medical Handicaps (CMH) Programs. The CMH has three programs to help children with special health care needs: Diagnostic Program, Treatment Program, and Service Coordination Program.

Duties Include:

- Case management
- Health care service coordination
- Referrals to appropriate doctors, other services and support
- Home visitations
- Parent education
- Pediatric assessments
- Provide vaccinations to the public and other related duties as assigned.

#### **Requirements:**

Must be a Registered Nurse with the State of Ohio and current CPR certification. Bachelor's Degree from an accredited College of Nursing preferred; at least 1 year experience with pediatrics or public health preferred. Case management experience preferred. Must possess a valid driver's license, and be insurable through FCPH's provider. Some evening and weekend hours required.

**Salary:** \$23.29/hourly starting. This is a non-exempt position.

**Interested applicants should send resume, cover letter and FCPH application to:**
