

Take part in a FREE, family friendly challenge this summer!

Franklin County Public Health and several local Parks and Recreation departments are encouraging you to discover your local parks! This summer, we want you to help us highlight the undiscovered gems of your local parks while being active and enjoying the outdoors.

How to Participate

From July 1 to October 31, visit each of the below parks to gather all unique code words. You will find the code word displayed at the park information stand. Write that code word under the matching park on your passport. The code words will then create a sentence. Those who submit a completed passport will receive a prize! <<<<<<<<
