## Job Posting-Grant Funded

### **Injury Prevention Coordinator (Grant position)**

The Injury Prevention Coordinator works toward planning, development, implementation and evaluation of a community based injury prevention program that focuses on the leading causes of injury for the Franklin County service area. This position assists/coordinates with writing, editing, and collecting documentation to assure full compliance with the Injury Prevention Grant including deliverable outcomes; assists with identifying and recommending grant expenditures.

#### **Duties Include:**

- This position will lead FCPH efforts to prevent opiate abuse and addiction through a collaborative process that focuses on prevention and community education.
- Ability to design and implement injury prevention activities, to evaluate those activities, and build and manage an injury prevention program;
- Conduct community education programs for diverse populations and coordinate responses to request for injury prevention information
- Create a plan for Coalition Evaluation to assess current coalition strengths, and building opportunities
- Assists in identifying local health resources that could be mobilized to improve wellness and prevention activities and building or strengthening community partnerships
- Other related duties as assigned.

#### **Requirements:**

- Bachelor's degree in public health, public administration, emergency management, or related field – Master's degree preferred;
- Two to three (2-3) years of directly related experience;
- Must possess a valid driver's license, and be insurable through FCPH's provider; some evening and weekend hours required.

**Salary:** \$19.24/hour - \$24.06/hour. This is a non-exempt position.

#### **Interested applicants should send:**

1. Resume
2. Cover letter
3. FCPH application (located: <http://www.myfcph.org/careers>)
