

Franklin County Public Health is currently able to bill the following insurances for immunizations our staff provide:

Medicaid Insurance*

- Buckeye Health Plan
- CareSource
- Molina Healthcare (except Molina Marketplace plans)
- Ohio Medicaid
- Paramount Advantage
- UnitedHealthcare (UHC) Community

*Except dual Medicare-Medicaid coverage plans (i.e. MyCare Ohio, dual complete)

Private Insurance**

- Aetna (except Open Access Managed Choice)
- All Savers (UHC)
- Anthem BC/BS
- CareSource Marketplace/Healthcare Exchange plans
- Cigna
- Golden Rule
- Medical Mutual (except OhioHealth HMO; OPERS)
- UnitedHealthcare (UHC) (except OSU Student Resources; Compass; Oxford)
- UMR

**Please note: We do NOT currently bill Medicare Part D for immunizations (i.e. MMR, Tdap, Shingles)

You are financially responsible for all immunization services received by Franklin County Public Health. We will submit a claim to your insurance provider for services on your behalf and any payment from your insurance provider will be made directly to Franklin County Public Health. In the event your insurance provider does not cover immunization services to include vaccines, you will be responsible to pay those charges at the prevailing rates.

If you have questions, please contact our Billing Department at (614) 525-3160
