

## **Public Health Nurse II - Maternal and Child Health**

The Public Health Nurse II works directly with at risk populations, carries out health promotion programs at all levels of prevention, conducts basic data collection and analysis, and participates in field work including home visits and other outreach activities. Specifically, this position provides case management to families with children (ages 0-21) enrolled in the Children with Medical Handicaps (CMH) program.

### **Duties Include:**

- Assists families with needs and health care coordination regarding the CMH Diagnostic program, CMH Treatment program, and CMH Service Coordination program.
- Conducts home visits with families and children from diverse cultural, socioeconomic, educational, racial, and ethnic backgrounds.
- Evaluates and performs physical nursing assessments with pediatric clients that have various medical conditions.
- Interacts with community agencies and the public on a regular basis via telephone communication, email, home visits, and health fairs.
- Demonstrates public health nursing presence in the community through various forms of outreach pertaining to general health promotion, infant safe sleep education, and infant mortality surveillance among other topics.
- Provides education and appropriate resources to parents, families, and community members pertaining to health conditions and other relevant public health topics.
- Uses data related to the social determinants of health to provide and coordinate care for all clients.
- Accurately documents all case management and client contact in an Electronic Health Record System (NextGen) including using mobile technology on home visits.
- Participates in other related duties as assigned including FCPH adult and child immunization clinics and Emergency Response preparedness/training.

### **Requirements:**

- Current and unrestricted Ohio Registered Nurse license
- Bachelor's Degree from an accredited College of Nursing
- Five (5) years of pediatric, public health, or related nursing experience OR two (2) years as a PHN I
- Case management experience preferred.
- Knowledge and proficiency using an Electronic Health Record System (NextGen Electronic Health Record experience preferred)
- Valid Ohio Driver's License
- Non-smoker

**Hiring Salary Range:** \$23.28 - \$29.11

### **Interested applicants should send:**

1. Resume
2. Cover letter

3. FCPH application (located: <http://www.myfcph.org/careers>)
