## Job Posting

### Why Work Here? Be Valued!

As a public service agency, we know our greatest assets are the people behind the service. We recognize the value of our employees through competitive pay and an amazing benefit package for staff and their family. Franklin County Public Health is proud to be an equal opportunity employer committed to hiring a diverse and inclusive workforce.

The FCPH value statement says it all: **We serve our communities, our organization, and each other with Integrity, Accountability, Excellence, Respect and Humility.**

Franklin County Public Health provides:

- Schedules to support a work/life balance.
- Robust benefits including medical, dental, vision, employee assistance program and flexible spending account.
- Life insurance, short and long term disability options are also offered.
- Vacation time, personal time, sick time, and paid holidays.
- And much more!

### **NOW HIRING: Environmental Health Educator**

The Environmental Health Educator contributes to the overall improvement in the health and wellness of Central Ohioans to promote, maintain, and improve individual and community environmental health by assisting individuals and communities in adopting healthy behaviors. Serves as a resource to individuals, other professionals, internal programs and the community in identifying and training on health education programs.

#### **Duties Include:**

- Collaborate with health specialists, stakeholders and community groups to determine community health needs, the availability of services, and the development of goals for meeting needs
- Create operational plans and policies necessary to achieve health education objectives and services. Align and coordinate health education materials and resources with community health needs assessments and other public health surveys.
- Provide guidance to agencies and organizations in the assessment of health education needs, and in the development and delivery of health education programs. Collaborate with local and state agencies or organizations to educate and engage in initiatives promote equity, reduce health disparities and address social determinants of health in support of the agency's environmental health improvement and strategic plan.
- Identifies educational evidence-based strategies using a policy, systems and environmental health approach, develops tools and resources, provides technical assistance and actively participates on various health education/promotion committees.
- Support increased grant funding by continuously identifying grant opportunities that support the work and programs of the agency.
- FCPH utilizes appropriate methods for interacting effectively and professionally with persons of all ages and from diverse cultural, socioeconomic, educational, racial, and ethnic backgrounds, sexual orientations, lifestyles and physical abilities.

- Other related duties as assigned.

**Requirements:**

- Bachelor's degree in public health, health education, community planning, nutrition, science, or related field; Master's degree preferred;
- At least two to three years of directly related experience in public health, sustainability efforts, community engagement/collaboration, outreach and education, and grant writing is preferred;
- Valid Ohio driver's license and ability to meet insurability requirements; some evening and weekend hours required.

**Preferred credentials:**

- Certified Health Education Specialist (CHES)
- Current Sanitarian in Training or Registered Sanitarian

**Hiring Wage Range:** \$19.24/hour - \$24.06/hour. This is a non-exempt position.
