## Job Posting

### Why Work Here? Be Valued!

As a public service agency, we know our greatest assets are the people behind the service. We recognize the value of our employees through competitive pay and an amazing benefit package for staff and their family. Franklin County Public Health is proud to be an equal opportunity employer committed to hiring a diverse and inclusive workforce.

The FCPH value statement says it all: **We serve our communities, our organization, and each other with Integrity, Accountability, Excellence, Respect and Humility.**

Franklin County Public Health provides:

- Schedules to support a work/life balance.
- Robust benefits including medical, dental, vision, employee assistance program and flexible spending account.
- Life insurance, short and long-term disability options are also offered.
- Vacation time, personal time, sick time, and paid holidays.
- And much more!

### **REVISED: PLUMBING INSPECTOR I or II**

Under direction of the Plumbing Supervisor, the Plumbing Inspector I and II is responsible for performing inspections, evaluations, investigations, and consultations in compliance with applicable program standards, state laws and rules, local regulations, Board of Health policies and services in alignment with the agency's adopted mission and vision, community needs, and federal, state, and local mandates.

This position focuses on providing excellent customer service to internal and external customers in accordance with the mission, core values, and purposes of Franklin County Public Health.

### **DUTIES INCLUDE:**

- Inspects plumbing systems and medical gas systems to conformance with approved plans, specifications and approved engineered design. Uses Ohio Building Codes to ensure jobsite compliance to the rules of the Ohio Board of Building Standards and to NFPA 99: Health Care Facilities Code.
- Reviews blueprints and engineering drawings for compliance and provides technical advice to design professionals, contractors, owners, and operators regarding Ohio Plumbing Code and/or local regulations.
- Works with other staff, sections, and departments providing environmental health plumbing knowledge in relation to plumbing code and/or communicable disease investigations.
- Routine interaction with public officials, citizens, vendors, clients, patrons, and applicants to gather and process information; cooperative/coordinating responsibility with other departments.
- Other related duties as assigned.

### **QUALIFICATIONS:**

- Plumbing Inspector I:
  - High school diploma or equivalent; and
  - Seven years of practical and verifiable installation experience in commercial plumbing; and
  - Plumbing Inspector Certificate issued from the Ohio Board of Building Standards; and

- Valid Ohio driver's license and ability to meet insurability requirements.
- Additional certifications may include: Plumbing Plans Examiner Certificate issued from Ohio Board of Building Standard and ASSE 6020 Medical Gas Systems Inspector Certification.
- **Plumbing Inspector II:**
  - High school diploma or equivalent; and
  - Seven years of practical and verifiable installation experience in commercial plumbing; and
  - Two to five years of experience as a plumbing a certified Plumbing Inspector; and
  - Plumbing Inspector Certificate issued from the Ohio Board of Building Standards; and
  - Plumbing Plans Examiner Certificate issued from the Ohio Board of Building Standards; and
  - ASSE 6020 Medical Gas Systems Inspector certification; and
  - Valid Ohio driver's license and ability to meet insurability requirements.
